Beer Batter

A simple coating made with the co-op's beer batter mix.

Ingredients

1 cup beer batter mix

Water, as needed

Food to coat

Oil for frying

Directions

1. Whisk water into the mix until the batter is smooth.
2. Dip the food into the batter to coat.
3. Fry in oil at 350–360°F until golden and cooked through.

Beer extract is included in the mix.
